<b>* Please Note</b>	Corrected and Additional Information is listed below which applies to the 2019 Alaska State Land Offering, Auction #486 Brochure and Website.

**Corrected Information**

**Page 17**

- The survey information shown in the table for parcel 1022 is incorrect. It should be ASLS 2004-32 and not ASLS 2002-28.

**Page 31**

- The undeveloped road shown on the map as Rhonda's Way should be spelled Ronda's Way.

**Page 64**

- We have received feedback from the Fairbanks Public Information Center (PIC) regarding the access to the Martin Subdivision parcels. The middle portion of Old Murphy Dome Rd. is impassable by vehicle traffic. A better access route to the Martin Subdivision parcels would be take New Murphy Dome Rd., to Spinach Creek Rd., to Old Murphy Dome Rd., to Cascade road which will lead into the subdivision and to High Sierra Dr. The parcels are access from High Sierra Dr. and a series of undeveloped rights-of-way.

**Page 134**

- The Department of Environmental Conservation (DEC) has suggested that a link be added to the "Sewer and Water" section of the brochure, on page 134, to help customers find information regarding wells and water systems.
